

How Coinchaser works!

- your main objective is to earn as many points as possible to get to the top of the leader board
- You can earn 100 points by collecting invisible coins, which will spawn randomly each game, or you can earn 1 point by moving from one field to another, but there's a catch! YOU CAN ONLY TOUCH EACH FIELD ONCE.
- If you touch a field twice or run into a wall, your score won't be counted
